**BERNIE SHARMAN**  
**PRESIDENT'S MESSAGE**  
**1988/89 1989/90 1990/91 1991/92 1992/93**

On returning to live in the Rockingham District in 1987, after an absence of twenty years, I commenced my involvement with the Rockingham Districts Baseball Club. At that time, I was completing a very enjoyable six-year administrative commitment to the Braves Baseball Club of Cockburn and Melville.

Season 1987/88 was my first season with the Rockingham Club, in which I served as Team Manager of the U/17's Div 3. At that time, all Junior Baseball in the District was run under the auspices of the Rockingham District T/Ball Club. This was just as well, because at that time, nobody else wanted them. The U/17's Team and myself were most fortunate in having Norm (Chalky) White and Joe Hughes as Co-Coaches. Indeed, what started out as a bunch of individualists, were moulded into a Premiership and Minor Premiership winning team that season. It was just as well that many of these young lads showed a quick maturity, because after playing their Saturday games, some of them had to play Seniors on Sunday in order to save the one Senior Team from forfeiture.

It was during this Season of 1987/88, that I started having a closer look at what was happening, or rather what was not happening, with Senior Baseball within the Rockingham District. As previously mentioned, the U/17's were bolstering the senior numbers on field, and absolutely nothing was happening off field. There was no sense of direction, no hope for the future, and, most importantly, no Club pride.

As soon as the 87/88 season finished, I started lobbying behind the scenes to get myself elected as Club President for the following season. I managed to achieve this objective, and held that position for five consecutive seasons. While I was waiting to be elected President, I ascertained the following facts:-

- The Club was un-incorporated
- The Club was bankrupt
- The Club only had seven financial playing members
- The Club had no Juniors
- The Club had no decent uniforms or Home Ground venue for the following season

However, one by one, all these problems were solved. Probably the biggest achievement was securing the right to bring Junior Baseball under the wing of the Senior body. This was only achieved after many late nights of negotiations with the local T/Ball Club. I shall always be indebted to Jack and Debbie Van Eldik and John and Judy Farrell for their support in this long and tedious matter. Parallel to these T/Ball Club negotiations were the opening of talks with John Tucker and the Rockingham City Council, regarding the securing of a purpose-built Baseball facility as permanent Home Ground Venue. This objective was not achieved during my term

as President and the Club owes much to Dean Penniment for hanging in there and seeing it through.

In summary of my five year term, I like to think that I was fairly successful; others may wish to disagree; that is their prerogative. I feel that, overall, I gave the Club a new lease of life, with a renewed sense of direction and pride in itself. No opposition was allowed to consider a fixture against Rockingham as four easy points.

Premierships and Minor Premierships were won by AA, B and D Grades. For myself, the highlight being AA Div 1 double winning season 1990/91, under Coach Jeremy Maslin.

However, my proudest moment will always be the 1-0 loss to Balcatta in the 1991/92 Grand Final. Balcatta, with the great Ray Mitchell on the mound, were given a lesson in class and maturity by a then young and relatively inexperienced Jason Williams.

All in all, I enjoyed my eight season (1987/88 – 1994/95) involvement with the Club, and I take this opportunity to wish the Club Members all the best for the future, both on and off the diamond.

**PRESIDENT'S MESSAGE**

**1993/94 1994/95 1997/98 1998/99 1999/2000**

Firstly, I would like to thank Mark and Alison Miller for their time and effort in putting this small book of the Club's history and every Rockingham Player's stats together. I'm sure you will find it all interesting reading.

The club now plans to put something similar out each year by just updating statistics annually and adding them to Mark and Alison initial groundwork.

When I joined the Club in 1989, we had a President by the name of Bernie Sharman, who, like me, had worked extremely long and hard in setting up the grassroots for where we are today. Mark Stubbs-Mills and John Richardson were also on that first committee. Mike Thompson and Paul Makings made valuable contributions in the mid nineties, and Mike is the current Chairman of the Hourglass Reserve "Facility Management Committee". They are all people that this club should be extremely proud of because there is no doubt that we wouldn't have this facility if it wasn't for their dedication and persistence.

We have certainly come a long way since Anniversary Park; many Clubs have commented on the "State of the Ark" facility that we currently enjoy. We have purchased a first class home run fence this season, which, for mine, just tops this venue off.

The Club has excellent major sponsors in Parkin Street Liquor and Epic Energy and we are extremely grateful for their financial assistance.

It was extremely pleasing to have our first Women's Team this season (their stats are also included) and I hope they will return again next year.

Our AA's went through a building and bleeding process this season and the kids that Scott has introduced into the ranks should all be better players for next year.

Congratulations to Jason Williams and the B Grade on your minor premiership; hopefully you can take off the Big One.

C Grade struggled after Round Five with the demise of D Grade and having to absorb the surplus of players (most weeks have 13 or 14 players). However, they soldiered on and hopefully enjoyed themselves.

In closing, I would like to thank everyone for their loyalty and camaraderie and trust you will welcome my successor with the same support you have given me.

**MARK CLAY**  
**PRESIDENT'S MESSAGE**  
**2005/06 and 2006/07**

Taking over Presidency after the club had just been through a pretty rough stretch both on and off the field it was overwhelming to see the entire club pull together and really work hard at getting the club back to a strong position. Certainly the past 5 years in particular have been fantastic, each year I can now see this club getting stronger and stronger.

It's great to see;

- Junior numbers on the rise again
- Senior teams in the finals each and every season
- The club investing in equipment, facility & uniform upgrades
- The club investing in Import players and coaches
- Players reaching 300 & 400 game milestones

I know I've only written a paragraph but it still took me over an hour to write. How do you sum up this club and its members in just half a page? This is the best baseball club to be a part of without a doubt!

I see the future of Rockingham Rams Baseball Club to be a very bright one, congratulations to all involved over the past 30 years.

**DOUG BERWICK**  
**PRESIDENT'S MESSAGE**  
**2007/08 and 2008/09**

When I started with the club it was for a winter season in 2004. It was the first time I have played in 15 years for a club. It didn't look like much at first, as we were just playing against each other. But when the summer season started it was quite different, I started meeting more and more people and the club made my family feel welcomed. That is when I decided that I could help out the club by joining the committee. Since then I have not looked back as I can see this club growing more and more each year, the junior sides seem to grow each season and this is what the club needs. Once I started to get the hang of the politics of the committee life it was time for me to do the only thing I could think of try and be a president. It was one of the most challenging jobs that I have ever done, and with the huge support from my family and all the other committee members it was great 2 years, with teams making it to finals, a new patio extension, bar and kitchen upgrades and the having the opportunity to host the WA Provincial Championships in 2007/2008. To all future presidents and committee members, players, supporters I wish you all the best and looking forward to the next 30 years with the club.

Doug Berwick

**MIKE THOMPSON**  
**PRESIDENT'S MESSAGE**  
**2009/2010**

Over the last 20 years I have played for the Rockingham Baseball club I have been very lucky to have known some really great people.

I have also been around a few right twats as well, but mostly great people.

I've seen young players that I have coached and have played with grow up to become great club people and some even parents.

They have partners that support our club on game days and at club functions. Thank you all

We have also been very fortunate to have great players come from all over the place, and now from overseas. All these people have one thing in common, This Baseball Club. Many nights I have left here after supporting the clubs bar thinking of ways to improve what we have. Thinking how lucky we were at Anniversary Park to have great showers and change rooms. Our canteen that we had to pack up after every home game and take back in a trailer or ute, to where we are now.

We are very lucky to have one the best clubrooms and grounds in baseball, but these things take a lot of work to get to where we are today. From the meetings with

The council over the design of the building to FMC (Facility Management Committee) meetings to design the inside, the bar, carpets, paint colors etc. All these things have been done by a lot of hard working people.

So thanks to you all.

And back to this Year:

We (the committee) decide to invest in two imports Chris and Jakob Eckely to help us get to a higher level on the field.

The club started the new season with the white pants issue behind us, along with the new playing tops we definitely looked the part. It didn't take to long for other clubs to start to see the new Rams club. Our 30<sup>th</sup> year games against Balcatta were another part of a great year. The whole day went off without a hitch, thanks to Redo's hit in the last at bat of the game. So many thanks to everyone involved to make a special day for all.

Now to the business end of the season.

Two Minor premierships for the top two sides was a first for our club, but then to finish off with two premierships showed what teams can do after a rough finals start. There are many people to thank, I must start with this year's committee.

After the AGM I warned them all that a lot of people would like to see me stuff things up. But I knew with the people in this club no matter what happened we could fix it.

Everyone had a job to do and did it very well, so to this year's committee thank you very much.

To all the senior players in the club that helped out on and off the field, I thank you

To finish off, a thank you to my wife and boys for another long but satisfying year.

Mike Thompson
